ABOUT EMERALD

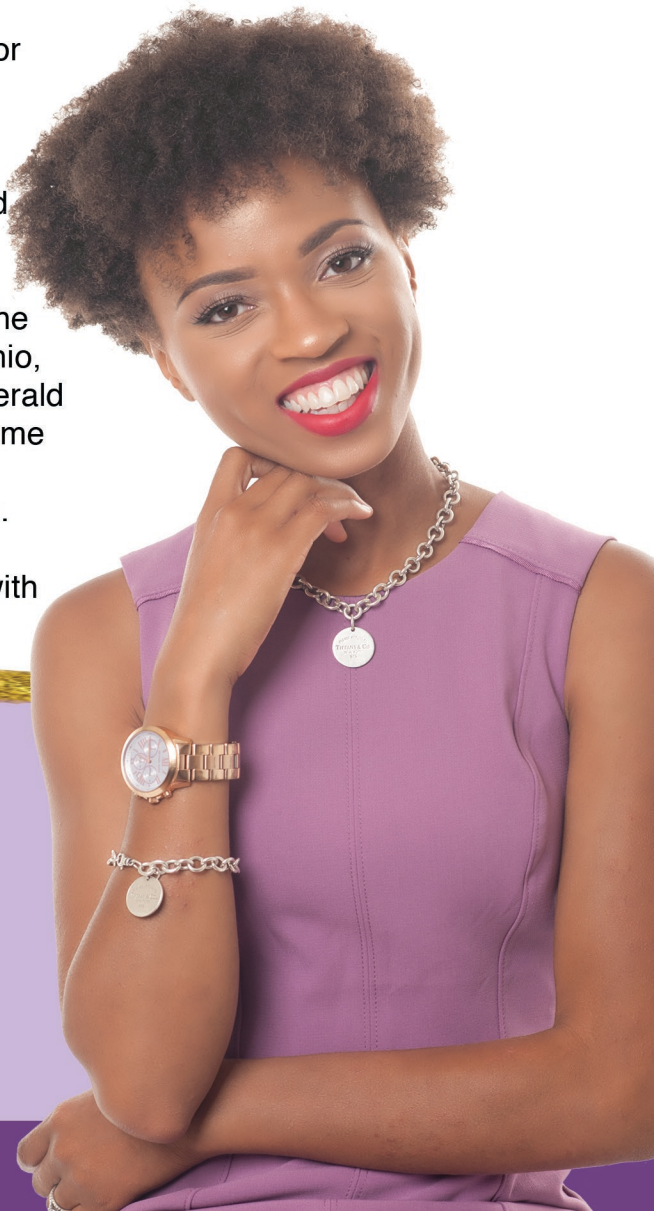

Emerald Sparks is an **award-winning personal and business finances expert**, author, and speaker, who works with individuals to become better financial stewards of their money, and business owners to keep their profits and pay themselves a salary. From a wasteful spender to financially savvy entrepreneur, Emerald's takes her personal lessons and determination to inspire others to reach their financial greatness and solve their own misconceptions about money.

Emerald is a self—published, bestselling author of ***Vision. Future. Reality: How to Budget Like a Boss***, which provides a clear instructional guide of how to vision budget and make your money do what you want it to do, and ***Create Sparks: A Bossed Up Financial Planner to Maximize Your Income***.

After 10 years of experience in the financial services industry for Fortune 500 companies and counseling her friends and family members about money management, Emerald realized many people were confused about everyday financial matters such as budgeting, credit cards, insurance, taxes, debt, savings, and bookkeeping. She decided to take her knowledge and serve.

Emerald has been recognized as an Affirmed YP Honoree by the Urban League Young Professional of Greater Southwestern Ohio, Ambition List recipient, and The Wiz Nation's 30 under 30. Emerald helps everyday people increase their money mindset and become extraordinary money masters by maximizing their income to make it do what they want it to do and create financial freedom.

Emerald lives and works in the Greater Cincinnati, Ohio area with her husband and two fur babies.
